HOW TO BOOK A CLASS

All classes must be **booked in advance** via the **website**.

You will need to **create an account** with Wix to make a booking. *I recommend downloading the Wix app, as it makes booking and managing your classes quick and easy, especially for future bookings.*

Select the class you would like to attend. You can select and book multiple classes at the same time.

Once you have selected the class or classes you would like to attend, simply follow the booking process through to the end.

You will receive an email confirming that your booking is **pending approval**.

Please then make **payment by bank transfer**, using the bank details provided on your booking confirmation for the correct amount.

Payment must be made within **24 hours** of making your booking. If payment has not been received within 24 hours, your booking may be cancelled and the space released to someone else.

Please note: your place is **not guaranteed until payment has been received** and your booking has been approved.

Once I have received your payment, I will approve your booking and your place will be confirmed.

Cost - £10 per class

You are welcome to book as many classes as you like in advance to guarantee your space.

Cancellation & Booking Policy

Please read the following terms carefully:

- All bookings are non-refundable.
- If you are unable to attend a class, please let me know as soon as possible.
- Bookings can be moved to an alternative date/class, subject to availability, provided that at least 48 hours notice is given.
- If less than 48 hours notice is given, the class will be forfeited and cannot be moved or refunded.
- If you do not attend your booked class without contacting me, the class will also be forfeited.
- Bookings cannot be transferred to another person unless this has been agreed with Charlotte in advance.
- Payment must be made within 24 hours of booking. If payment is not received within this time, the booking may be cancelled and the space released.
- A booking is not confirmed or guaranteed until payment has been received and the booking has been approved.

These terms help me manage class numbers, ensure that spaces are available fairly to everyone and cover the cost of the hall hire.

Thank you for taking the time to read the booking information and for helping to keep the booking process fair and straightforward for everyone. 🌿

WHAT TO EXPECT FROM CLASS

Arriving & Relaxation

We begin with a few quiet moments to settle onto the mat, let go of the day, and bring your awareness into the present.

Connecting to the Breath

We bring our attention to the breath and use it to help create a sense of calm and connection throughout the practice.

Gentle Warm-Up

We'll gradually warm and mobilise the body, preparing you for the practice ahead.

Yoga Poses & Sequences

Every class is different, but we'll regularly revisit foundational poses so you have the opportunity to build confidence and notice your progress. There will also be new movements and poses to keep your practice interesting and give you something new to explore.

Slow Stretching & Savasana

Towards the end of class, we'll slow things down with gentle, passive stretches before settling into Savasana - a final 5–10 minutes of stillness and relaxation.

Savasana is an important part of the practice. It gives the body and mind time to pause, absorb the benefits of the practice, and simply rest without needing to do anything.

Your Practice, Your Pace

Yoga is not about pushing yourself or keeping up with anyone else. You're always encouraged to listen to your body and work at a pace that feels right for you.

I'll offer different options throughout the class, including opportunities to explore more challenging or dynamic variations when they feel appropriate. Equally, you're always welcome to pause, rest, or skip a pose whenever you need to.

There is no right or wrong way to practice, your practice is your own.
